A. Complete with like, likes, don't like or doesn't like

The positive/negative choice is the student's (must be true for them); the **form** must match the subject – I / you / we / they → **like • don't like**; he / she / it → **likes • doesn't like**. Subjects by item: 1 I, 2 My brother (he), 3 She, 4 We, 5 He, 6 They, 7 I, 8 My friend, 9 You, 10 It.

| 2. doesn't like | 6. don't like |
| 3. don't like | 7. likes |
| 4. doesn't like | 8. doesn't like |

C. Put the words in order (Do / Does questions)

2. Does she like music?
3. Do they like cats?
4. Does he like soccer?
5. Do we like vegetables?
6. Does it like homework?

D. Complete the dialogues (do, does, don't, doesn't)

2. Does ... ? – No, she doesn't.
3. Do ... ? – No, they don't.
4. Does ... ? – Yes, he does.
5. Does ... ? – No, it doesn't.

E. Look at the pictures and write true sentences

Personal answers with *I like / I don't like* + the pictured noun: 1. pizza, 2. soccer/football, 3. books, 4. music, 5. vegetables, 6. ice cream. Check *I like / I don't like* (no -s with I).

F. Write about you

Personal answers. Frames: *I like... / I don't like... / My friend likes... / My family doesn't like... / I really like....* Check third person -s on 'likes' for 'my friend'.

Challenge

Students write three sentences about themselves (two true, one false), then a partner asks 'Do you like...?' to find the false one.

TEACHING SUPPORT

TEACHER TIP

The Note box (*he / she / it takes likes and doesn't like*) is the rule students break most in Exercises A and B. Say the subject out loud before every gap: 'My brother = he = likes.'

COMMON STUDENT MISTAKES

- ✗ She like cats.
- ✓ She likes cats.
- ✗ He don't like homework.
- ✓ He doesn't like homework.
- ✗ Do she like music?
- ✓ Does she like music?
- ✗ I likes pizza.
- ✓ I like pizza.

EXTRA CLASS ACTIVITY

Do You Like...? Survey (8 min)

Each student writes three 'Do you like...?' questions, then stands up and asks three classmates. They report back one result to the class using he / she: 'Ana likes chocolate. Ben doesn't like spiders.'

LEARNING FOCUS

Objective: Students will be able to use like / likes and don't like / doesn't like with the correct subject, and form and answer Do / Does questions about preferences.

Success Criteria: I can use 'likes' and 'doesn't like' for he / she / it. I can make a question with Do or Does. I can answer with a short answer (Yes, I do / No, she doesn't).

Prior Knowledge: Subject pronouns; basic food, animal and free-time vocabulary.

LESSON PLAN (40–45 MINUTES)

Level: A1

Skill: Grammar

Topic: like / likes / don't like / doesn't like; Do / Does questions

Exercises: 6 (A–F)

Est. Time: 40–45 minutes

MATERIALS & PREP

•Printed worksheet copies (1 per student)

•Pens or pencils

TIME	STAGE	PROCEDURE
5 min	Warm-Up	Bring or draw 4 items (pizza, spider, football, homework). Hold up each: 'I like pizza. Mmm.' / 'I don't like spiders.' with a face and gesture. Ask 2–3 students 'And you? Do you like ...?' and get 'Yes, I do. / No, I don't.' Write one 'I like' and one 'I don't like' sentence on the board; this is the meaning anchor for the whole lesson.
12 min	Presentation (I Do)	Draw two columns. LEFT: I / you / we / they + like / don't like . RIGHT: he / she / it + likes / doesn't like . State the rule: in the present simple only he / she / it add -s, so 'like' → 'likes' and 'do not like' → 'does not like'. Explain why the negative has no second -s: 'does' is already the -s form of 'do', so 'She doesn't likes' is wrong – the -s appears once. Board three pairs: I like tea / She likes tea; We don't like rain / He doesn't like rain; They like games / It doesn't like water. Then build a question live: 'She likes music' → move 'does' to the front, drop the -s → 'Does she like music?' → 'Yes, she does. / No, she doesn't.' Elicit two more questions from students.
10 min	Guided Practice (We Do)	Exercise B, items 1–4 together: students name the subject and its pronoun ('My dad = he') before you circle the option, checking the two-column board. Then model Exercise C item 1: read the words, find the subject, choose Do or Does, put the base verb after it → 'Do you like pizza?'.
10 min	Independent Practice (You Do)	Students complete Exercise C (build the questions) and Exercise D (dialogues + short answers) alone, then check D in pairs. Circulate and correct any 'Does ... likes' on the spot by pointing to the board rule.
6 min	Assessment	Review Exercise D as a class: students give the question word and the matching short answer, explaining the subject each time. Students then complete the Exit Ticket individually; collect it as the check of the objective.
5 min	Closure	Students write two sentences in Exercise F (one about themselves with 'I like', one about a friend with 'My friend likes'), then read them to a partner who checks like vs. likes.

FOLLOW-UP / HOMEWORK IDEA

Homework: write four questions with Do / Does about a friend's and a family member's likes, then answer them with short answers.

ANTICIPATED PROBLEMS & SOLUTIONS

Problem: Students use 'likes' with I / you / we / they or drop the -s for he / she ('I likes', 'She like').

Solution: Drill the subject aloud before each gap; keep the two-row pattern (I... / he...) on the board all lesson.

Problem: Students keep 'likes' after does ('Does she likes music?').

Solution: In the Presentation, cover the -s on the board and repeat: 'does already has the -s, so it's just like.'

FOR EXTRA SUPPORT

Give a subject → verb reference strip (I/you/we/they = like•don't like / he/she/it = likes•doesn't like) for the desk during Exercises A and B.

FOR AN EXTRA CHALLENGE

Students write a 4-sentence paragraph about what two different people like and don't like, using he and she correctly.

EXTENSION & FAST-FINISHER IDEAS

•Write one 'Does...?' question about a pet or an animal.

•Turn two of your Exercise F sentences into questions for a partner.

LANGUAGE FOCUS & BOARD NOTES

Grammar: like / likes / don't like / doesn't like; Do / Does + subject + like...?; short answers.

Board: I like pizza. • She likes pizza. • He doesn't like pizza. • Does he like pizza? Yes, he does.

EXIT TICKET — QUICK CHECK

1. Choose: My sister (like / likes) music. → *likes*

2. Make a question: they / like / dogs → *Do they like dogs?*

3. Answer: Does he like soccer? (yes) → *Yes, he does.*
