TEACHER TIP

This text is a controlled input flood of third person singular verbs. Before Exercise B, have students read paragraph 1 again and highlight every verb that ends in -s or -es. They will use those exact forms to answer in full sentences.

COMMON STUDENT MISTAKES

- ✓ Emma gets up at seven.
- ✗ Leo don't like reading.
- ✓ Leo doesn't like reading.
- ✗ She go to school by bus.
- ✓ She goes to school by bus.
- ✗ He watch sports videos.
- ✓ He watches sports videos.

EXTRA CLASS ACTIVITY

Emma or Leo? (8 min)

Read out sentences from or about the text ('She plays the piano.', 'He goes to school by bike.', 'She has a cat.'). Students call out 'Emma!' or 'Leo!'. Then students make three of their own Emma/Leo sentences for a partner to identify.

LEARNING FOCUS

Objective: Students will be able to read a short descriptive text and answer comprehension questions in full sentences, using third person singular verbs accurately.

Success Criteria: I can understand a short text about two people. I can answer questions with 'He / She' + a verb with -s / -es. I can find information in the text to say if a sentence is true or false.

Prior Knowledge: Present simple third person singular verb forms; daily-routine and free-time vocabulary (get up, go to school, play, read, watch).

LESSON PLAN (40–45 MINUTES)

Level: A1

Skill: Reading

Topic: Present simple third person singular in a short text (Emma and Leo)

Exercises: 7 (A–G)

Est. Time: 40–45 minutes

MATERIALS & PREP

- Printed worksheet copies (1 per student)
- Pens

- Highlighters or coloured pencils

TIME	STAGE	PROCEDURE
5 min	Warm-Up	Ask the class: 'What time do you get up? How do you come to school?' Then say 'Today we read about Emma and Leo. She gets up early. He goes to school by bike.' Write those two sentences on the board and underline -s / -es.
8 min	Presentation (I Do)	Read paragraph 1 aloud while students follow. Stop at each third person verb (gets up, has, goes, likes, reads, plays, practices, doesn't like, helps, keeps) and think aloud: 'The subject is Emma = she, so the verb has -s.' Show how question 1 in Exercise B is answered by finding 'She gets up at 7 o'clock' in the text and writing it as a full sentence.
10 min	Guided Practice (We Do)	Class does Exercise B questions 1–3 together, locating the line in the text first, then writing the full-sentence answer. Students finish B alone and check in pairs.
10 min	Independent Practice (You Do)	Students complete Exercises C, D and E alone.
6 min	Assessment	Review Exercise E as a class, asking for the subject before the answer. Students complete Exercise F (matching) and the Exit Ticket individually.
5 min	Closure	Students write two answers in Exercise G about themselves and read one to a partner.

FOLLOW-UP / HOMEWORK IDEA

Homework: write a short paragraph (4–5 sentences) about a brother, sister or friend, copying the style of the Emma / Leo text.

ANTICIPATED PROBLEMS & SOLUTIONS

Problem: Students copy the text verb without changing it, or drop the -s when answering in their own words ('She get up at seven').

Solution: Insist every Exercise B answer starts with He / She / They; write the sentence frame on the board and check the verb ending before moving on.

Problem: In Exercise F (matching) students match by the first word they see rather than reading all the options.

Solution: Tell them to read all five meanings first, then start with the word they are most sure of and cross options off as they go.

FOR EXTRA SUPPORT

For Exercise B, give weaker students the paragraph and question number side by side so they only have to locate and copy, not scan the whole text.

FOR AN EXTRA CHALLENGE

Students write three more true/false statements about the text and swap with a partner to answer.

EXTENSION & FAST-FINISHER IDEAS

- Underline every verb in paragraph 2 that ends in -s.

- Write one true and one false sentence about Leo for a partner.

LANGUAGE FOCUS & BOARD NOTES

Grammar/Vocab: present simple third person singular; routine verbs (get up, go, have, play, read, watch, help).

Skills: Reading (main text + T/F + matching), Writing (full-sentence answers, Ex. G).
